

Hi,

We have been required to change the name of the Association and a new website domain name of www.tarmacjdpasa.org.au has been launched. Check it out. Everything should be there including the **2013 information pack** and **2013 JDP flyer**. If you know of anyone that would be interested in this year's JDP, let me know.

2013 dates are

JDP day 1 Saturday August 24

JDP day 2 Saturday September 21

JDP day 3 Saturday October 26

JDP day 4 Saturday November 16 – scope to move this day away from exams.

Work continues on getting the cars ready for this year's JDP. All the excels now have 15" alloys, exhausts are being fixed, and hopefully all the rattles and knocks will be removed. In addition to the 3 cars already developed, we plan to develop 1 more car with upgraded suspension and race seats & harnesses during 2013. We will then have 4 upgraded vehicles for the advanced driving tasks and 2 for the basic driving tasks with a spare for any break downs/workshop activities.

It was great to see **Tom Walkom** (2010 & 2011) and the **Bailey's** (2012) out at the February 10th Modern Regularity. **The next Modern Regularity event is on April 14th, with another on May 20th**. Entry forms will be on the Austin 7 website

<http://austin7clubsa.com.au/index.php?page=modern-regularity> Entries close April 10th.

Hope to see more JDP people out and competing. We will not be able to have enter a team in the **6 hour relay** team unless all drivers have done an event at Mallala beforehand, either a sprint or Modern Regularity.

There are plenty of opportunities to be involved in motorsport as an official. We have the **Shannons Nationals** on the 20-21st April and we are looking for more officials, not only trackside, but form-up, grid and pit lane.
