

Hi,

**JDP Day #2 – Saturday September 21**

We have just finished designing our website and all Day #2 documentation can be found at [www.tarmacjdpasa.org.au](http://www.tarmacjdpasa.org.au)

Download the following under “FORMS”

- **JDP day #2 event entry**
- **Supp Regs**
- **Event Schedule**

For those with CAMS licenses expiring before day #2, it is your responsibility to renew them.

I sent the applications for the new licenses off to CAMS Wednesday last week. If you haven't got your licence before 13SEPT, let me know and I will follow it up with CAMS. Your temporary licence is valid for 1 month, which includes day #2 on 21SEPT.

Make sure you read and understand the Supp regulations.

It was good to see everyone wearing the appropriate clothing (from ankles to neck to wrists (flammable synthetic material, such as nylon, is not acceptable) and enclosed shoes. Once again, if you have your own helmet, feel free to bring it.

On the back of the Event schedule, I have added some tasks that we need a hand with. It would be really appreciated if someone could bring their camera along to get some photos. We need some individual photos and some actions shots. At the end of the day, we will arrange a group photo.

We will have additional 2 cars on day #2.

- Car #1 had a faulty fuel pump and Duane Gent is replacing it. Thanks to Richard and Kristen Bailey for the donation of a fuel pump and various other spare parts.
- Car #2 had a faulty injector and the stale fuel wasn't helping. Danny has fixed this and Car #2 is now running on all 4 cylinders. Danny has also kindly donated new shockers, lowered King springs and camber bolts. We are looking our finances to see if we can complete the upgrade with race seats and Harnesses.

To help with the classroom activity, can you research the following

- Pre-event Documents and items you will need on the day
- Circuit Layouts
- What to do when you arrive at an event, during and after an event
- What do you do if there is a problem

There is an opportunity for someone to join Paul at the Nissan Datsun Car Club Hillclimb on 12OCT (Bathurst weekend) Paul will have one of the JDP cars there and will be able to double enter the car. Contact Paul ASAP.

Cheers,

Darren Mattiske (Mobile 0412 823 171) & Paul Wise (Mobile 0403 938 573)
