CAMS has launched CAMSEventEntry (CEE), a new online system designed to make entering motor sport events faster and easier. You may be using this in the near future. For more details, go to <http://www.cams.com.au/media/news/latest-news/cams-unveils-online-event-entry>

Last Saturday, the 12th of October, the Nissan Datsun Car Club had their annual Hillclimb challenge at Collingrove in which Brodie Turner & Paul Wise double entered one of the JDP cars [no 7]. After overcoming his nerves on his first run, Brodie was able to put in some good runs to be only a few seconds slower than Paul by the end of the day. When he returned to the bottom of the hill after each run his mum said that his grin got bigger & bigger. Well done Brodie! Keep it up & hope to see you up there again!

Congratulations to Luke Fraser for 2 wins and a 2nd in the Suzuki Swift championship at the recent Shannons event at Wakefield Park. Luke now shares to championship lead heading into the final round at Sandown.

Cheers,

Darren Mattiske (Mobile 0412 823 171) & Paul Wise (Mobile 0403 938 573)

The Superkart Grand Prix is always a good meeting to attend.
