

Hi,

We held a maintenance day on Saturday. 5 of the 7 cars are now at Tailem Bend. The other 2 will be delivered on the 23<sup>rd</sup>. All cars were washed and vacuumed and Danny went over them to make sure they were mechanically sound. We even made sure there will not be any "eight legged passengers". Just 1 car wouldn't start and we will need to replace a faulty fuel pump. A BIG thank you to Danny, Peter, Paul, Karl & **James** (2013) and Sue & **James** (2014) for their help.

**The end result**

**Peter washing 8 months worth of dust off**

**James (13) and James (14) removing carpet**

It was interesting to hear from the Irish drift driver replacing his engine in the workshop who has travelled the world competing in drift events that this is the first time has heard of a motorsport program like ours.

**James** (2013) and **Brodie** (2013) had an excellent day at the Modern Regularity on the weekend. James won Heat2 and Brodie was second. Overall results for the day saw James come 2<sup>nd</sup> and Brodie pick up 9<sup>th</sup>.

**Shane** (2012) finished 11<sup>th</sup> outright in the SA Rally Championships held as part of the Scouts Rally SA driving a Toyota Celica GT4. Well done Shane!

**Tom** (2011) will be making a step up from Mod Reg to competing in his first Saloon Car race at this weekends State Championships at Mallala.

See everyone on Saturday August 23<sup>rd</sup>

Cheers,

Darren Mattiske (Mobile 0412 823 171) & Paul Wise (Mobile 0403 938 573)
