

Hi,

I hope everyone enjoyed their school holidays. JDP Day #2 is this Saturday, 25th October – proudly supported by Bob Jane T-Marts Modbury.

I apologize for the lateness of the newsletter and the doco being posted on the website, the entry form, Sup regs and event schedule is now on the website.

Lauren has been adding to our Facebook page so check it out. (Thanx Lauren)

Peter will be “rec’ing” for the next rally so I will come to help cook the BBQ again.

CAMS Event Entry

I’ve been too busy to do the CAMS Event Entry, so use the paper forms that are now on the website.

Homework

Refer to General Requirements – Schedule D : Apparel in the CAMS manual and find the apparel requirements for Club level speed events.

Day 3

Circuit Excel will now be joining us on Day #4.

We will also spend some time in the workshop trying to get Car #1 started and do some work on the suspension.

In the classroom we will look at the tyres and rims and hope to explain the numbers.

Car upgrades

It was a relief to see the new race seats just bolt in to Car #2. Many thanks to Brendon for helping with the welding of the brackets on the the slides.

Brendon has also donate some 15” wheels and tyres to the JDP. With some a little of sanding and a couple coats of paint, they have scrubbed up pretty nice..

See everyone on Saturday

Cheers,

Darren Mattiske (Mobile 0412 823 171) & Paul Wise (Mobile 0403 938 573)
