

Hi,

Welcome to the June Newsletter. There was no May Newsletter as we were waiting to see what was happening with Dates and Venues.

### 2015 Dates and Venues

The redevelopment work at Tailem Bend will not be complete until early next year. This means we have had to arrange a different venue for this years JDP. This has created a fantastic opportunity to try something different. We plan to run the 4 days over 5 weeks. Day #1 will be held during a Superkart & Modern regularity meeting at Mallala. This will exposing the participants to a real race meeting, learning the roles of all the volunteer officials and covering as much classroom and special presentations as possible before we turn our focus to driving skills at Adelaide International Raceway for Day #2 and #3. On the final day we have been given the opportunity to be part of a Modern Regularity come'n'try arranged in conjunction with TrackTime Motorsport.

Sun Oct 25 <sup>th</sup>	Mallala
Sun Nov 1 <sup>st</sup>	Adelaide International Raceway
Sun Nov 8 <sup>th</sup>	Adelaide International Raceway
Sun Nov 22 <sup>nd</sup>	Mallala

The Come'n'Try on Nov 22<sup>nd</sup> will be open to anyone new to Mod Reg, including parents.

### Car News

The engine is out of Scottie and new big end bearings are being put into the new engine. Big thanks to Gawler Caravan Centre for storing the car and the use of the workshop.

The Roll Cages have started being built. TAFE SA at Regency Park have started bending the tube.

Depending on how many much we make from the People's Choice Community Lottery depends on how many cars are fitted with roll cages.

### Ricciardo's Racers Junior Drive Day

I was browsing the CAMS website last night and came across a Ricciardo's Racers Junior Drive Day at Mallala on Sept 30th. CAMS members between the ages of 12-15 have an opportunity to participate in a Ricciardo Racers Junior Drive Day.

Each activity has been designed by Cameron McConville and Karl Reindler (V8 Supercar drivers) to provide participants with an introduction to motor sport focussing on skill development, car control, race lines and race craft. Participants will also receive lunch a Ricciardo's Racers Junior Drive Day pack and Hot Laps!
