

Hi,

Welcome to the June Newsletter.

Had the MSCA Sprint on Sunday. 21st June. Only finished the Engine exchange in the silver car on Friday and suspension finished on Saturday!

Pic. Lisa and James and the three JDP cars.

Great day overall. All 3 cars were able to driven back onto the trailers at the end of the day. Lisa and James drove well all day and could see the improvement with each heat. Good to see Helen from the 2012 JDP at her first Sprint event. Scottie (Silver) had a good shake down, just the rear brakes need looking at. Cooper (Red) had a near perfect maiden run. Lucas (White car on the right) however lost some power at the end of the day.

Last weekend the JDP committee and friends were able to move 4 cars from Taillem Bend to storage at Lewiston leaving just 1 move to move. Huge thanks to Karl, Richard & Kristen and Brendan & Michelle.

We normally upgrade the suspension on 1 or 2 cars, however, with all cars needing to be used on Day #4 at Mallala, it is important to have all the cars handling to an acceptable standard. As we can't afford to buy new shocks and springs, Pete, Paul and myself visited U-Pull-It @ Gillman and Elizabeth today and came home with 4 lowered spring and 8 gas shockers. It also gave us an opportunity to assess what maintenance is required on the 6 cars we have at Duane's @ Lewiston.

We are currently in the process of drafting the Supp Regs and Event schedule so we can arrange the CAMS permit our 2 days at Adelaide International Raceway.
