

Howdy and welcome to the September Newsletter.

I'm back from my US Holiday and armed with enough stories and photos to bore you for a couple of hours.

The shirts have arrived and look awesome so I will start distributing them to those that have paid for them.

Day #1 of the 2015 JDP is on October 25th (just under 4 weeks). Starting this week I will start ringing each participant to answer any questions.

To help assist with the start of Day #1, please download and complete the Day #1 forms at <http://www.tarmacjdpasa.org.au/forms/> and bring them along with you on Day #1

- CAMS L2S licence
- Photo disclaimer & Social media policy

If you answered 'Yes' to any of the medical questions on the CAMS license form, please let me know ASAP. You must first supply CAMS with a report from your GP or Specialist Doctor before you are able to be issued with a temporary or permanent licence. Further details about this requirement and a copy of the CAMS Medical Standards are available on the CAMS website by searching 'Medical Fitness'.

The South Australian Motor Racing Officials Association (SAMROA) have organized a **special workshop tour at Supaloc Racing** run by Kevin Weeks.

SAMROA has invited the JDP, however, they need to know exact numbers for catering purposes. They will be providing subway rolls and drinks for tea so please advise us of any dietary requirements. A donation to cover catering would be appreciated.
