

Welcome to the November Newsletter.

So you think the 2015 JDP is done and dust, wrong, we will still offer support and encouragement

I have so many reasons to be so proud the group we had this year. For those that didn't stayed back for the presentations, I nearly teared up. There were so very good feedback from event organiser Tony and Track Time Motorsport.

Overall winner of the day was Rachael. The "President's Cup" for the Drive of the day would go to young Peter. Tyler also looked smooth and this was reflected in his times and consistency. It's amazing to see these youngsters, most haven't driven before improve over the 3 days. All pushed hard and even had a few spins, turn 1 was a favourite.

There will be lots of events in 2016 to keep you busy.

Once again, I'm encouraging you to use the club cars for events during 2016. All we ask is a small fee or a contribution towards their upkeep. Once we get all the cars back to Lewiston, I will arrange a maintenance day.

TrackTime Motorsport will be running at least 4 rounds with a Rookie group which brings me to some exciting news. I believe the First Modern Regularity on February 21st will be a Rookie round.

There may be a 2016 Junior Pentathlon Series to be conducted over five disciplines, these being:

- Motorkhana
- Hill Climb
- Circuit Sprint
- Modern Regularity
- officiate for 1 day at a State Circuit Racing or Superkart/Mod round.

Stay tuned for more details

Huge thanks to all the helpers to make the 2015 Tarmac JDP so successful, Kristen Bailey, Michelle Wegener, Richard Bailey, Brendan Wegener, Paul Wise, Colin Tucker, Karl Fleming, Sue Glasson and Peter Tann, and all the driver trainers. I also need to acknowledge the supporters of the JDP, Dan at Sprint Autoparts Edwardstown, Graham at Bob Jane Modbury and Damian at Gulley Meat service for the best BBQ sausages.

In the meantime, have a happy and safe Xmas and New Year.

Cheers,

Darren
