

Welcome to 2016 and the January Newsletter.

Working Bee

We will be having a working bee on 6th Feb at Angle Vale. Let me know if you are interested in joining us.

Car #5 (red 4 door Thomas drove during the Mod Reg event) will be getting upgraded with lowered springs, sway bar, race seat, getting a service and all the mechanicals shown some TLC.

We will also be servicing car #93 (Lucas – White 2 door Mitch drove) and car #7 (Cooper – Red 2 door that Peter Drove) having a service and made available for the Mod Reg on Feb 28th

Mod Reg

TrackTime Motorsport will be running some rounds with a Rookie group so people new to motorsport will not feel intimidated by the faster more experienced drivers. The Modern Regularity on February 28th will be a Rookie round. Entry forms can be found here.

http://users.adam.com.au/amcommtech/modregv3_004.htm

I have \$25 discount cards to be used on your 1st event entry. Let me know if you would like to use a JDP car. All we ask is a small fee or a contribution towards their upkeep.

Monkey survey

We have constructed 2 feedback surveys, 1 for the participants and another for the parents. If you could complete them within the next week or so, it would be much appreciated.

Parents

TBA

6 hour Relay

We have the 6 hour Modern Regularity relay on 1st May. I'm sure we will be able to create a team with what I saw in November. As in previous years, we will most likely do 20 minute stints. – need team entry by the end of March. Please contact me if you are interested.

Junior Pentathlon

We are trying to put together a competition to be run over multiple events. Initially it was a Pentathlon Series to be conducted over five disciplines,

- Motorkhana
- Hill Climb
- Circuit Sprint
- Modern Regularity
- officiate for 1 day at a State Circuit Racing or Superkart/Mod round.

We are now considering reducing it to 3 disciplines for the first year while we sort out the scoring for each event. Stay tuned for more details

Roll Cages

We now have the roll hoops for the roll cages and will start fitting, welding and installing them.

Sponsorship

We are currently putting together a sponsorship package, so if you know anyone we should be approaching, please let us know.

Annual general meeting

We will be planning an AGM late February. Stay tuned for more details.
