

Welcome to the June Newsletter.

Huge congratulation to James A for winning a heat at the last Mod Reg. The next Mod Reg on 3rd July will have a rookies group and I would encourage you to enter. Our 6 hour relay team did fair to well with a roll-over and a broken gear box. The remaining drivers got plenty of track time.

We are starting to application forms in for the 2016 JDP so you better send your forms in before it fills up.

Don't forget, you need to take both your plastic licence and your paper booklet to events.

Modern Regularity Rookies group - July 3.

This means you will not be intimidated by more experienced and faster drivers and is ideally suited for JDP participants. The Rookie group is run as a separate competition which means the winner for each heat gets a certificate and trophies for top 3 entries. Let me know if you need to arrange to loan a JDP car for the day.

Entry form and Sup Regs now available at
