CAMS Trainee Officials licence

If you answered 'Yes' to any of the medical questions on the CAMS license form, please let me know ASAP. You must first supply CAMS with a report from your GP or Specialist Doctor before you are able to be issued with a temporary or permanent licence. Further details about this requirement and a copy of the CAMS Medical Standards are available on the CAMS website by searching 'Medical Fitness'.

New Logo

You may have noticed the new logo? Huge thanks to Andrew Boehm from Ochre Digital for the design work.

The logo device is based on a stamp or accreditation as to which a person would receive for completion of such a program as the JDP. The stamp style device in the logo gives the program credibility as a positive learning environment for motorsport.

Hopefully the windscreen decals and new door decals with the new logo for the cars will be arriving soon.
