Mod Reg 28th May

On Sunday the 28th of May, the Modern Regularity Team Challenge and Rookies was held at Mallala Motorsport Park, we had many previous JDP students enter the event including Ethan, Matthew, Dylan, Tyler, Rachel, Caitlin, Henry, Jess & Issy competing in Group B and Rookies. The weather was taking a turn for the worst with heavy rain for a few of the sessions and although it presented a difficult new challenge on the track it also gave a fun and exciting opportunity seeing how the cars Trevor, Scottie & Cooper reacted with these conditions on track giving a show of many fun spins and new driving tricks for a few of the students to learn. Congratulations to Henry who finished second place overall in the day for rookies.

Mod Reg 28th May

The Day was run in damp conditions and good to see the JDP well represented in both the Rookies and Group B

Rookies - Caitlyn was only 1 point off equaling the 4 lap record in Heat 1 with 0, 4, 0, 0 and had another heat win in heat 3 and just missed out on coming 2nd for the day. Henry had a good heat 2 with some good consistent times to get 2nd. Grant got some faster and more consistent laps in during heat 3 to come 2nd before a very busy combined heat 4.

Group B – Wow, Ethan did the JDP proud by coming 2nd overall for the day against extremely good competition. 1st overall was Jason Thiele and 3rd was Sandy Watters, both JDP trainers. Dylan had a very trying day with his impersonation of the bat mobile in smoke screen mode in practice which required the help from fire marshals in pit lane, his dorian timer battery going flat and nominating a 1:48 in heat 3 when he should have nominated a 1:38. (946 points v's 47 points and equal 3rd for the heat)

Loan cars

As club members, you will be able to loan a vehicle for events in 2017. The committee are currently fine-tuning the loan car policy and a simple loan agreement.

There will be a small hire fee which will go towards the maintenance of the cars. Hiring periods can be short or long term.
