Welcome to the September Newsletter.

Huge thanks to the Driver trainers and helpers on Day #1. Without them, we couldn't run the JDP.

I forgot to ask everyone to return their name so if you took your name badge home, please bring it with you on Day #2 so we can reuse them.

I will be asking for a photographer on Day #2 to get some shoots of the track and classroom activities. Like us on Facebook and post any photos from Day #1 & #2

To view the driver training session, you will need to follow the last JDP out on the track and park in the designated area. Once they are finished, you need to follow the last JDP car back.
