## CAMS event entry

I would highly recommend getting access to the CAMS Event Entry as more and more events are now using it. It's very easy to set up and so simple to enter events.

Entry is via the CAMS Member Portal on the CAMS website. Once you have access, get into CAMS Event Entry and check your details and if needed, add your car, crew and trailer.

## Formula Vee

Thanks to Don for bringing his Formula Vee and talking about his great entry level category.

If you want any more info, jump on their website [www.fvasa.org/](http://www.fvasa.org/) or [www.fvee.org.au/](http://www.fvee.org.au/). I'm sure they are on FaceBook also.
