

Welcome to the February Newsletter.

The club had a meeting on Wednesday night and it was noted that the Scouts cars were well maintained at the recent Jamboree "Full Throttle". It turns out the Scouts have a policy of "long term loan" where the member adopts the car for competitions and in return takes full responsibility of maintaining and garaging the car and is able to make it available for any club days and it is understood they return it in the same or better condition. We would like to give this a go so let me know if you would be interested in something like this.

On the following page is a list of all the speed events (mod Reg, Sprint and Hill Climbs) Please contact me if you are interested in entering and need some help.

## Superloop ADL500 display

CAMS may have a display there, however, if it's like previous years the display will not be confirmed until the last minute. We are in the process of arranging a JDP display so we are ready to go if called upon. To take full advantage of the opportunity, we need to have volunteer to man the display for the 4 days ready to go at short notice. Please let me know if you are able to assist.

## YouTube clip of the month

Here a couple of youtube clips of regularity events at Mallala. Do a search, there's lots out there
