

Welcome to the September Newsletter.

Day #3 is Sunday October 20th at Adelaide International Raceway.

We are trying something different and using CAMS Event entry. Go to the CAMS website www.CAMS.COM.AU and register yourself on the Event Entry portal

Watch the welcome video to learn how to use CAMSEventEntry.

I have added Day #3 so click on Upcoming Events and see if you can enter.

Entry form and sup Reg are on the Club Website.

Souvenir Mugs

\$10

Craig is arranging an order. All profit goes back into the JDP

Contact me if you would like one

YouTube clips of the month

As discussed on Day #2, please have a look at these youtube clips about Cornering

Driving technique tutorials to make you faster, safer and more consistent on track. The driving technique lessons are written and presented by professional driver and coach Scott Mansell. Feel free to watch all the videos in his "Driving Technique - The Driver's University"

- [The Racing Line - How to Drive the Perfect Corner](#)
- [The 6 Phases of a Corner: a Step-by-Step Guide](#)

The following 3 are designed for Computer Gamers, however, the principal is the same

- [Chapter 3A: Fundamentals of the Racing Line & Cornering](#)
- [Chapter 3B: Fundamentals of the Racing Line & Cornering](#)

[Chapter 3C: Fundamentals of the Racing Line & Cornering](#)

Coil over explained

<https://www.youtube.com/watch?v=xmr14nCivZA>

Some homework for Mallala.

This is James (JDP 2015) doing a Mod Reg. Look at the racing lines and take note of the gear changes for each corner

https://www.youtube.com/watch?v=XgT_aEI0dEA

Jayden shows what it's like racing around Mallala.
