

Welcome to the June Newsletter.

It's been a while since the last newsletter and there has been lots of changes in the world, however, we have been busy.

The most important news is we will not be running a JDP in 2020. This has given us the opportunity to embark on some large projects.

## Painting progress

We will be repainting 7 cars (3 red and 4 blue). Lisa, Craig and Scott have made great progress so far

- Decals removed from most cars
- 3 ready for painting
- 4 mostly ready for paint
- Lots of maintenance work done in the process

With the fresh paint, we will be revealing a new livery for the cars later in the year at an upcoming sausage sizzle.

## Harness bars

We have had a very modest “roll cage” fund for some time however, it isn’t enough to purchase a ½ cage so we now looking at fabricating harness bars which will provide the ideal anchor point for the shoulder straps to attach to without the expense of installing a roll cage or roll bar. They will give us added safety for the participant and the driver trainer. At this stage, we are close to placing an order for 10 harness bars for the same cost of a single roll cage.

## Sway bar upgrades

Craig has been on a pursuit of developing a low cost rear sway bar upgrade. After some novel ideas it looks like he might be on a winner with the latest design. Stay tuned for test results.

This weekend the team will be going on a treasure hunt at Lonsdale U-Pull-It for after market 18mm sway bars, camber bolts, lowered springs and near new shockers.

## Tax deductible donations

Tax time is coming up, did you know all donations of \$2 or more are tax deductible?

We are now a member of the Australian Sports Foundation. This means you can donate to our project and claim it as a tax deduction. We have created a project to upgrade the safety of our JDP Training cars:- Race seats, Harnesses, & Harness bars. All donations will go towards these items.

Jump onto the ASF website site and make your tax deductible donation today.
