Roll Cages

The 4 roll cages we ordered from Brown Davis have been delivered. We will start installing them in the new year.

Adopt a car

If you wish to adopt a JDP car for 2022, please contact me.

Testimonials

Chelsea made the pages of her local paper, The Plains Producer. Great story with the help of Leon and Mid-North Mazda. If anyone would like to write a few lines for the JDP website's Testimonial's page about your experiences in the Program and its benefits, please send them in to me. There are only three letters on there now and they are all from the parents of a participant. A testimonial from a participant would be a good addition.

Feedback

Feel free to provide any feed back on your thoughts of the 2021 JDP so we can improve next year. What we do good, what we can do better etc..

Mitre 10 BBQ

JDP has a fundraising BBQ at Mitre 10 Hectorville on 8th January 2022. If anyone would like to help for a couple hours, it would be much appreciated.
